

Observation Record

Child's
Name

Michael Jones

Staff

Mary Wallace

Date

28th Oct 2012

Time

11.15 AM

Observation

During Free Play I observed Michael and his friend at the sand box. They were burying the insects under the sand. "Ants live in holes underground" Michael told his friend - "some live under rocks in my garden"

Aim:

Learning Goal:

Evaluation/Future Plans

To extend Michael's understanding of insects, we will explore the garden and bring buckets, spades, containers and magnifying glasses with us.
